## Ectopic Pregnancy

Khaled Marachli\*

### Abstract

Ectopic Pregnancy:

A very rare case of cornual pregnancy

The statement describes a very rare case of ectopic pregnancy "Cornual pregnancy" which unusually had continued to full term.

The case had been diagnosed after the laparotomy during cesarean section which had been achieved in very difficult circumstances, because the hemorrhage was very heavy.

The author could deliver a healthy fetus, save the patient's life, and save her uterus and fertility.

\*Department of Obstetrics - Faculty of Medicine - Damascus University.
