

## **The Reason of the Fame of the Old Arabic Poem (Fame and Causes)**

**Dr. Abd Al kreem Hussien \***

### **Abstract**

There are many reasons for the popularity of the poem among people relating to the features of the poem (the reality and authenticity of meaning, the integrity of pronunciation, accuracy in description, and its lightness on the tongues of the people....) other causes are related to the author and his fame, and some reasons dating back to the occasion, of the poem.

There is no doubt that poems have a certain popularity in Arabic literary life, for reasons related to their technical structure, the popularity of their subjects, the position of their authors, their clarity, or ease of memorizing them....etc.

The purpose of this paper is to explain this phenomena in a logical way based on the reported events.
