

An Approach to Prove the Historical Significance of Arab Nationalism

Dr. Sammer Bahlawan *

Abstract

The research 'An Approach to Prove the Historical Significance of Nationalism" includes an introduction which describes the importance of the subject discussed of proving the historical significance of Arab nationalism. As well as discussing the reasons for choosing this topic.

Furthermore I'll be discussing the hypothesis, which seeks to find out the depth of the history Inclusiveness In general, especially in Arab history, with all Its cultural richness and sustainability. Meanwhile, I'll be working to clarify some terms in the research.

The Research will address a number of points for the of Arab nationalism/ which requires a study of the history since Its commencement the that posed it, and those who contributed to its formation, and the process that the Arab civilization came through, starting from the Initial formation of the nation - as the tribe gathering, clan gathering - reaching to the nation gathering in terms of time, long *with* the general and specific features of the Arab nationalism. The research includes brief stops at the geo-cultural borders too.
