**Dr. Ghassan Ghuneim\***

## **Abstract**

The novelist Ibrahim-Al-Kawni thinks that the surrendering novel for an inescapable fate is embodied the perishing of the people of Amazek, the death of their culture and the impossibility returning and revivifying this culture.

The truculent first threshold of the text ,calls the reader to read with amazenent.

There is nothing that justifies the title "Who Are you Angel? because the novelist looks for the rescuing angel, not his identity .

Therefore the best tittle is "Where Are you Angel? "so the Angel will save this people from death .

The novelist Presents an outcry a hopeless outcry through this artistic novel.
